americawest.com**

## Layout all trades with one robotic solution!

- One-man operator!
- Increase layout productivity up to ten times!
- Free up labor for other tasks!
- Layout all trades with one robotic solution!
- Say goodbye to chalk lines.
- Reduce material waste and injuries.
- Washable or permanent ink options.

Avoid costly mistakes and reworks by printing entire digital layout and 2" text on the slab with 1/8" accuracy! Increase ROI through time and cost savings using the new SitePrint technology.
